

Online Safety

Our 12 top tips for staying safe online

Get an adult to check if a website or game is suitable for your age.	Don't click on a link without a trusted adult's permission.	Tell a trusted adult if you get bullied online.
If you see something bad or upsetting tell a trusted adult.	Don't tell people your passwords.	Only go on age appropriate games and websites.
Don't talk to people you don't know online.	Make sure everything you do online is safe and secure.	Tell a trusted adult if you get worried or are bullied online.
Don't send pictures of yourself to strangers.	Don't tell anyone your personal details.	Be kind and caring online.
