

Our School Early Help Offer

Our school will work with children and families and we will

aim to:

Work to families' strengths especially those of parents and carers and take time to understand their needs fully.

Focus on preventing problems before they occur and offer flexible, responsive support when and where it's required.

Build the resilience of parents, young people, children and communities to support each other.

Base all we do on evidence of both what is needed and of what works and be brave enough to stop things that are wrong.

We will know if our work in Early Help is successful if it delivers these outcomes:

Children and Young People...	Parents and Carers...
<ul style="list-style-type: none"> • Are physically and emotionally healthy; • Are resilient and able to learn well; • Are supported by their families, their community, and - when necessary - professionals to thrive and be successful; • Live in environments that are safe and support their learning and development. 	<ul style="list-style-type: none"> • Are supporting one another in their communities; • Know where to get help if they need it; • Have trusted relationships with practitioners, neighbours and other parents; • Are well informed about how best to help their child develop, and keep motivated to make great choices.

Our offer is embedded in Earl Sterndale CE Primary School's Child Protection and Safeguarding Policy and is part of our continuum of work in helping to keep children safe. We also have a system to address any concerns in our delivery of the offer - this is addressed in the school's complaints procedure.

Our service is delivered by Derbyshire County Council on behalf of our school:
